Some boosters cannot be performed in combination with certain facials.

Allow our professional estheticians to recommend boosters, tailored to your skin's needs, to ensure a truly personalized experience.

CryoTherma is the most innovative and versatile anti-aging device to smooth, tighten, and tone the skin. With the help of your esthetician's professional recommendation, mix and match treatment styles to target stubborn fat, reduce cellulite, or improve skin elasticity and achieve your individual goals.

CryoTherma Triple Threat (Chin, Neck, and Decollete)

Say goodbye to sun damage, sagging skin, and that stubborn double chin! Our Triple Threat anti-aging treatment uses CryoTherma's tightening and toning technology to firm loose skin on the chest and neck area, while slimming and sculpting the jaw line. Each session includes a touch of red light magic to boost collagen and soften fine lines, finishing with a soothing manual lymphatic massage for a lifted, radiant look. It's the ultimate triple threat!
60 mins /session
1 session / \$100, packages available

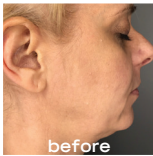

CryoTherma Arms (Small Area)

Wave goodbye to the jiggle and say hello to sculpted arms! Using advanced hot and cold technology, CryoTherma tightens that wiggle, banishes unwanted fat, and leaves your arms looking toned and fabulous. Each session includes a touch of red light magic to boost collagen, finishing with a lymphatic massage for the ultimate arm transformation.
60 mins /session
1 session / \$200, packages available

CryoTherma Body (Large Area)

Looking to tighten skin, reduce cellulite, or target stubborn fat? CryoTherma Body has you covered! We focus on one area at a time — legs, glutes, back, or abdomen, using our customizable CryoTherma contrasting technology, red light therapy to boost collagen, and a lymphatic massage to help flush everything out.
75 mins /session
1 session / \$350, packages available

****For best results with any CryoTherma services, we recommend 3-6 sessions with maintenance treatments as needed or recommended.**
